

**AUCTIONEER'S NOTE:** The operator has closed this location due to unfavorable lease terms. All items are clean, working, and in good condition. This is a quality inventory being offered for bids. Don't miss this excellent auction opportunity. *However, this is an auction and be aware that all lots will be sold "as is & where is" with no warranty implied or guaranteed.*

**Note:** When reading the inventory, a value of "1" under quantity means the lot is selling for the bid price or rather "one money" regardless of how many pieces may be in the lot. If there is an "x" value under quantity, then the lot is selling for "times the money" or the bid price times how many items are in the lot.
